

Penalties & Client Benefits

Penalties

Overview

The **Penalties** tab shows all late payment penalties charged to clients — either automatically (via Finance Settings) or manually when marking a payment difference as a penalty during collection.

SELECT SORTING METHOD

Client	Unit	Salesman	Amount	Date	Note
hany elabbasy	T-14	Admin	20,000.00	2025-12-07 14:53:53	
kamal ali Mohamed	B03-3-402	Admin	50,000.00	2025-12-11 14:59:50	
saad ahmed	B03-1-207	Admin	2,850,000.00	2025-12-27 13:25:33	
handy mass	B01-G-107	Admin	2,068.00	2026-06-29 12:01:32	

What You See

Column	Description
Client	Client name.
Unit	Unit code.
Salesman	Assigned salesman.
Amount	Penalty amount.
Date	Date the penalty was recorded.
Note	Any notes related to the penalty.

Total is shown at the top of the page.

Available Actions

- **Export** — Export the penalties list.
- **Select Sorting Method** — Sort the list.

Client Benefits

Overview

The **Client Benefits** tab shows all discounts or credits that have been applied to clients' payment plans — for example when a client pays less than the installment amount and the difference is treated as a benefit rather than a penalty.

What You See

Column	Description
Client	Client name.
Unit	Unit code.
Salesman	Assigned salesman.
Amount	Benefit amount (shown as negative since it reduces what's owed).
Date	Date the benefit was recorded.
Note	Any notes.

Total is shown at the top (negative value = total credits given).

Available Actions

- **Export** — Export the benefits list.
- **Select Sorting Method** — Sort the list.
