

# Primary Units — Projects

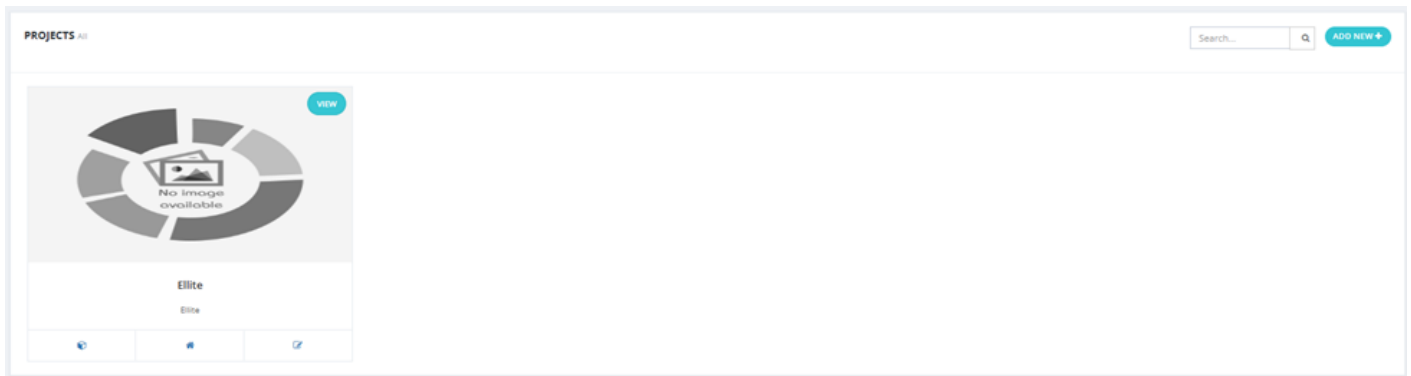

## Overview

The **Projects** section lists all developer projects you have access to. Each project is organized into **Phases**, and each phase contains **Unit Types** with the actual units available for sale.

## The Projects List

Projects are displayed as cards. Each card shows the project name and three action buttons:

Button	Description
<b>Phases</b> (☐ icon)	Opens the project's phases.
<b>Units</b> (icon)	Goes directly to the unit types inside this project.
<b>Edit</b> (≡ icon)	Edit the project details.

Available actions: **Search**, **Add New +**.
